Dear Parents

It has come to our attention that a white Kia without number plates was driving around in the area and harassing girls after school. According to eyewitnesses, there are four armed men who drive around and rob learners of their valuables.

These criminals attacked and robbed a group of Hercules High School girls yesterday, and they were also reported to have been seen at Hoërskool Tuine.

We make a serious request to personally pick up and drop off your children at school. If they use buses or taxis, you must make arrangements with the drivers to ensure that your child is safe at all times.

A safe area is available in the parking lot at the main gate until the children's transport arrives. A security guard is also on duty at the gate.

Any information regarding this matter can be reported to **Captain Msimango** at SAPS, Hercules. His number is 0726946835.

Please be assured that your child's safety is very important to us.

Kind regards.
